MINUTES

The regularly scheduled meeting of the Executive Council of the Student Association met in the Seminar Room of the Library at 9:00 P.M., Tuesday, May 4. The opening prayer was led by Winfred Wright.

Business was discussed as follows:

1. Brother Croom wants us to find out from the student body what kind of fish they want in the fish pond. Either native fish or gold fish may be used. It was suggested that we might take a vote on the question at the all student body meeting or that the suggestion box be used to receive student suggestions on the matter.
2. One of the suggestions from the suggestion box was that when having elections for student council officers the president should be elected in a separate election so that those losing might run for the vice-presidency if they so wish.
3. It seems that the student body as a whole has not been informed about the action of the student council on the quiet hour question. President Hughes said that they should be informed as to what has been done.
4. The request was put in the suggestion box for some place to prepare food for outings. It was brought out that the kitchens in Pattie Cobb and Cathcart may be used for this purpose and that many club sponsors make their kitchens available also.
5. President Hughes read the list of students for Student Council officers that he had received petitions for. They were: Paul Magee and Gene Rainey for president, Tommy Parish and Ken Noland for vice-president, and Betty Helm and Peggy Futrell for secretary.

A schedule of when each council member would sit at the polls was worked out. President Hughes said there was some difficulty as to the time for the rally to be held for the candidates. It was scheduled for Monday night but now a piano concert has been scheduled for the same time. Several possible times were discussed and it was decided to see about having it in chapel on Tuesday morning.

6. It was suggested that the council have a sunrise breakfast after the new officers are elected and invite them. The council members were all in favor of this.

The meeting was dismissed.

Respectfully submitted,

Nancy McDaniel
